

Course Outcome Guide (COG)

Approved 12 APRIL 2012 Pg. 1

Course: NURS 122:	Clinical Practice 1	Credits: 3		Instructor:	DNP Consortium Faculty and Williston State College Faculty
Course Description:	This course takes place in the nursing laboratory and in healthcare facilities. The student will apply social, biological, behavioral and nursing science principles as they are acquired in the foundations of Nursing and Practical Nursing 1 courses. Basic nursing skills and procedures are demonstrated and applied in a supervised laboratory/clinical setting. Beginning Practical Nursing Students will begin to participate with the nursing process for clients across the lifespan.
