

**Articulation Agreement  
Dickinson State University and Williston State College  
Online ADRN to BSN Completion Program**

Both the DSU and WSC programs are GERTA compliant. Students are advised to complete the respective General Education requirements *in full* at the institution of their choosing (WSC or DSU), to be declared GERTA compliant.

Students are not allowed to combine both institution's GERTA requirements; if students from WSC do not complete the GERTA requirements in full at WSC, they may be required to take additional and/or unique course(s)/credit hours to meet the DSU requirements to graduate with the Bachelor of Science in Nursing (BSN) degree.

AAS graduates may be admitted to the Online program and must provide evidence of completing requisite courses as listed in the DSU Academic Catalog (p. 119) prior to graduating with the BSN degree.
